
Job Description: Veterinary technician/assistant

Requirements: Must have a minimum of two year's experience working as a veterinary technician/assistant. Individual must feel comfortable working in a fast-paced surgery environment. We are looking for someone that has good teamwork skills, reliable and able to work independently. We are looking for someone that is flexible with daily job duties/tasks. Individual must have strong desire to enhance the welfare of animals. Must be willing to work long days, as needed. For the right individual this job could lead to full time.

The Animal Rights Alliance, Inc., T.A.R.A., is a non-profit, spay/neuter clinic dedicated to reducing euthanasia in the Hudson Valley and surrounding areas of New York. Our mission is to reduce pet overpopulation by providing high-quality, high-volume, low-cost spay/neuter surgeries, and related care. For more information on our program, go to www.tara-spayneuter.org.

Individual should have an understanding of our organization's mission of reducing euthanasia. We believe euthanasia is the number one killer of healthy cats and dogs and is preventable.

Interested applicants should submit resume AND cover letter to this post.

Job Type: Part-time

Salary: Based on experience
