Dear Steve Tardiff:

On August 2, 2008, we were host to our first spay/neuter clinic using TARA's mobile unit. I want to thank you for a very successful event. Thanks to you and your staff everything was done professionally and ran smoothly.

In a single afternoon you spayed/neutered 63 cats! Many of the owners were elderly or low income. They told me how grateful they were for the opportunity to take care of their pets at a reasonable cost. There were also people who had cats living in their area that had kittens often and this gave them a chance to get a handle on an out of control situation. All in all it was a very good day .... thanks to you and TARA.

So let me say again, thank you so very much for helping the cats and citizens in the Beacon area.

Sincerely,

Barbara Shea,  
President
