

# **T.A.R.A. is hiring!**

## **Are you a veterinarian or know one?**

**Now hiring a New York State licensed veterinarian  
passionate about spay/neuter surgery.**

The Animal Rights Alliance Inc. (T.A.R.A.) is a well-established not-for-profit high quality, high volume spay/neuter clinic. We have been operating our Mobile Clinic since 2002 and Stationary Clinic since 2014, and we are looking for a skilled spay/neuter surgeon to join our team.

The salary is performance based. If you are an exceptional spay/neuter surgeon and love surgery, you will be very happy working with our organization. This is a one day per week position, with more days available working as a relief DVM if desired.

Relief work would include filling in as needed within our organization or covering for other veterinarians during their time off.

We also offer a small stipend for travel.

**If you are interested, please send your resume along with a cover letter to
